

Justfit Freestyle

Enjoy freedom, enjoy style, enjoy life.

Maximize your revenue with the new Justfit Freestyle group training!

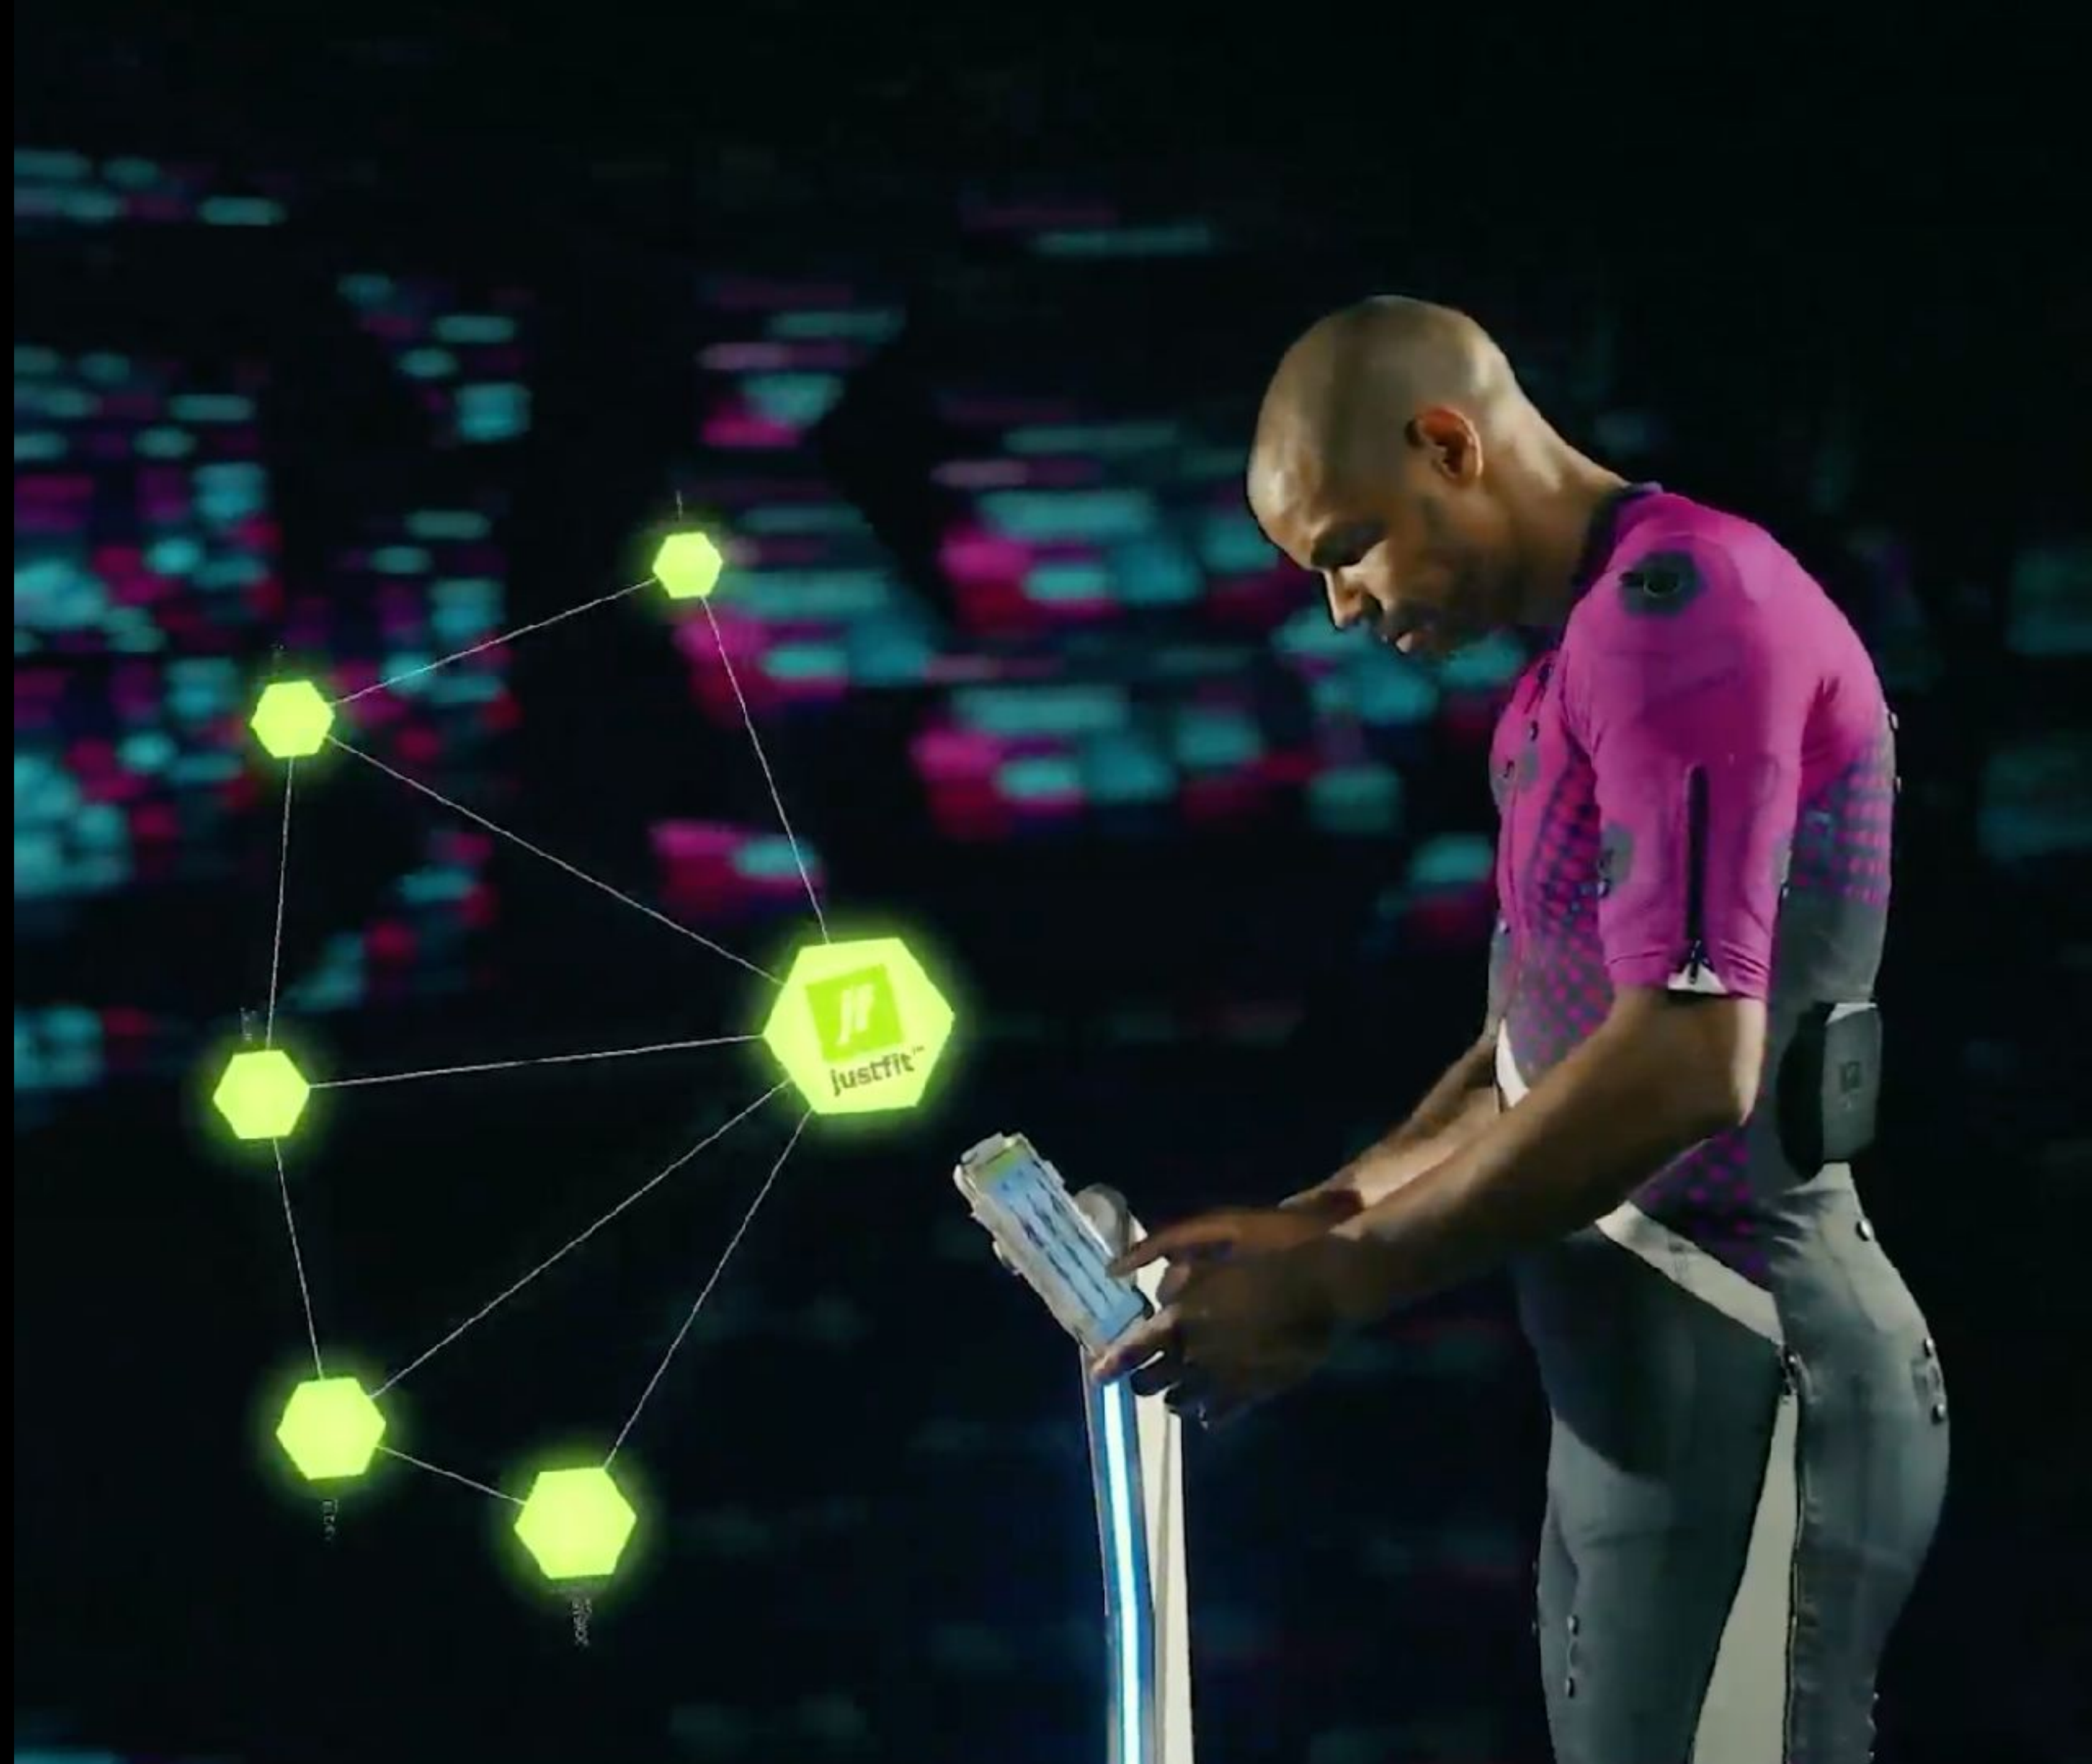

Workout is fun especially when doing it together. Maximize your revenue per training and make your clients inspire and motivate each other by offering Justfit Freestyle group training while taking full control over individual achievements.

Thanks to Justfit wireless technology you can perform group trainings both indoors and outdoors. Just turn on the music, feel the energy and enjoy your training.

Customizable configuration - for up to 30-people group trainings

Justfit Freestyle comes with customized product configuration according to your business needs. It's an open wireless system developed for multiuser option for up to 30 people.

Justfit Aura - the system that surrounds everything

Justfit Aura is a uniquely developed online cloud-based operating system.

User-friendly, optimized to the everyday tasks of the trainers, unlimited extension possibilities. Manages 1-30-person group sessions.

The system provides user access on different levels: distributor, studio network owner, studio owner, trainer.

Access all the information of your Justfit systems with only one click.

- CE certificate

Justfit technology suit.

In every moment of the design procedure our priority was to make the suit a perfect, lightweighted wear.

While choosing our raw materials and creating the system, durability has been the most important feature, even with maximum usage time.

Style only for me. Futuristic.

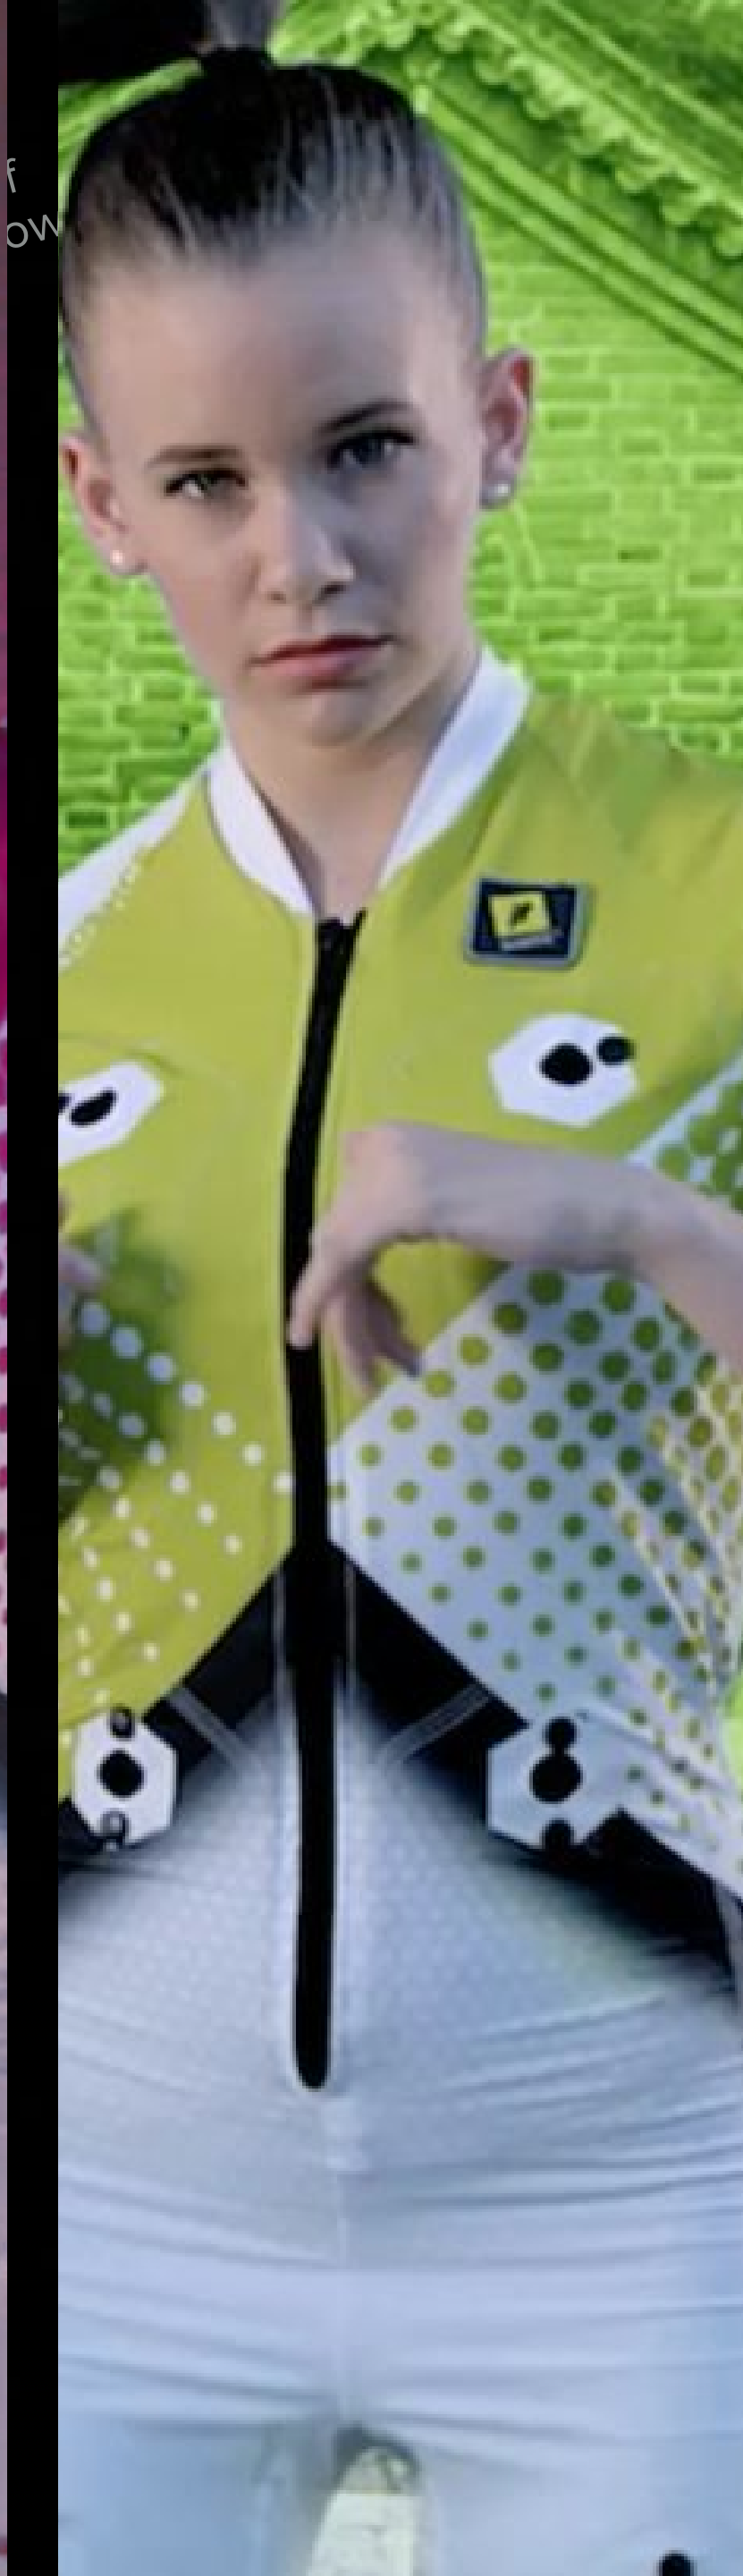

The hybrid suit - choose your own style!

Justfit Freestyle is compatible with new
new generation of Justfit Hybrid suits.

- Inspired by the future
- Lightweight electrodes with magnetic connections
